Ricoh SP 5100N | System Specifications

Fast & Productive

Speed through print jobs at some of the fastest speeds available in a desktop printer.

- Fast print speed of 45 ppm for all your document needs.
- Put frustrating delays behind you. The Ricoh SP 5100N warms up in less than 45 seconds and delivers first prints in just 8.5 seconds.
- Quickly print large files thanks to standard 128 MB RAM and a 500MHz CPU. Upgrade to 512 MB RAM or add an optional hard drive for even more power.
- Enjoy quality plus speed! The Ricoh SP 5100N prints professional graphics, text and drawings with resolutions up to 1200 x 1200 dpi.
- Print PDFs fast—without using the application to open the files—through PDF Direct Print.

Easy & Convenient

An easy-to-read LCD screen and easy-to-use control panel lets you quickly manage jobs and attend to the Ricoh SP 5100N when it needs attention.

- Production without interruption. The Ricoh SP 5100N's simple paper path and smooth paper feeding and handling virtually eliminates paper jams and related service calls.
- Find out right away if the printer needs paper, toner or other attention with instant e-mail alerts.
- The Ricoh SP 5100N fits comfortably on desktops. Front-access paper trays and a small footprint make it ideal when space is at a premium.
- A wide range of paper capabilities allows you to output letters, proposals and more—up to 8.5" x 14"—without switching printers. You can even print up to 10 envelopes at a time.

Connected, Convenient & Secure

Numerous built-in capabilities streamline everyday productivity and protect sensitive data.

- Advanced networking capabilities make the Ricoh SP 5100N the perfect shared printer for workgroups or small businesses.
- Delay your prints to a convenient time with the Delay Print feature.
- Save time and money by using Proof Print to check your document layout before printing large quantities.
- Store your prints on the optional Hard Disk Drive and release them on demand.
- Passcode protect private documents with confidential print.

*HDD is required to enable the Proof, Confidential, Store and Delay Print features.

Cost-Effective & Reliable

The competitively priced Ricoh SP 5100N builds long-term savings through its impressive overall value.

- Save upfront. The Ricoh SP 5100N's attractive price makes adding a dedicated printer or a space-saving network printer an easy decision.
- Save over the Ricoh SP 5100N's extended lifetime. Long-life toner cartridges further reduce the total cost of ownership, and the printer's impressive reliability means you can count on years of hassle-free use.
- Save paper costs and filing space. The optional Automatic Duplexing Unit keeps the Ricoh SP 5100N's compact design intact.
